Re: Thanks

We staff and believers of the Living Jesus Christ Pentecostal Church Nyakabere in the Democratic Republic of Congo, we continue to say thank you for your support.

We received the USD \$2,040.00 for the school windows *{plus some}*.

All windows are now available here and very soon we will have fixed them in place, we will still need more money for painting.

We appreciate your involvement and partnership with our church.

Our ambition and prayer is to see a missionary team come here to see how the job of God is progressing, to see the new school building and see all the different types of students who share the school (orphans and vulnerable children who study in primary and secondary and Biblical studies).

Come and see the school you have built. We hope that this partnership may continue.

Our ambition is that together we can reach the non-believers in the Democratic Republic of Congo and world-wide and become believers (Matthew 28:19-20).

Together we are one in Jesus Christ.

On behalf of the Living Jesus Christ Pentecostal Church:

- Mashemango Namukobora	Reverend pastor.
- Buganga Munenwa	Pastor.
- Lulihoshi Donatho	Pastor
- Bududu Sobanuka	Elder
- Furahisha Esperance	Women's Leader.
- Djimmy Katuruma Raphael	Principal.

MISSION SPOT

Rural Colombia and coronavirus

Amid the worldwide confusion and tensions over coronavirus, some strange beliefs emerge. In one rural area of Colombia, community leaders are convinced that the coronavirus outbreak is a punishment sent by their deities for allowing Christians to live among them. Believers are suffering increasing persecution and some have been summarily imprisoned for "disrupting community harmony" by causing the coronavirus. Indigenous chiefs now see Christian gatherings as a serious violation of their "law and order" and this has put the lives of Christians at risk. *(Open Doors)*

Please pray for these Christians & the indigenous chiefs.
